

## **Motor Vehicle Record(MVR)** **Vendor Resources & Discounts:**

**Solera Fleet Solutions:** Offer customers from across many industry segments the broadest portfolio of telematics and fleet management solutions in the industry. Our suite of pre-integrated solutions enables transportation companies of all shapes and sizes to solve their operational challenges through simple yet robust configuration and integration options. **FutureComp/USI Members get a special discount on pricing. To unlock preferred pricing more or request a demo please visit our special USI page [try.omnitracs.com/usi-insurance](http://try.omnitracs.com/usi-insurance).**

**SafetyFirst:** MVR Monitoring, unlike one-time checks, occurs continuously to ensure that our customers have the most recent data available. With this data, we can ensure that you're always kept aware of your drivers' records, in turn helping to keep your fleet in good standing and road-ready. **FutureComp/USI Members get a special discount on pricing. For additional information contact Loss Control Consultant - Zachary Collins @zachary.collins@usi.com or 603-665-6056.**

**MVR Check:** MVRcheck™ provides Instant Nationwide MVR Driving Records to companies and insurance agencies. Our full suite of Driver Risk Management products include: MVR Records, FMCSA PSP Records, Drug Testing, DQ File Management and Online Driver Training. Use our system to easily screen your drivers for Pre-employment, DOT Compliance, Insurance and Continuous Risk Management. We also provide an MVR Monitoring service. **FutureComp/USI Members get a special 15% discount on pricing.**

**Samaba Safety MVR Monitoring:** Eliminate the guesswork in pre-employment driving record checks with SambaSafety's pre-hire MVR solutions. Gain access to standardized, multi-state driving records that reveal a simplified picture of applicant risk. **FutureComp/USI Members get a special 20% discount on pricing.**

**Mass RMV Atlas eServices:** The eServices Portal provides RMV access to individual users logging into a portal that is designed specifically for their business needs. RMV Business Partners with an eServices Portal must have a designated Security Administrator who will manage and maintain access for approved users. **FutureComp/USI does not have a vendor partnership, no discounts available.**

**Insurance Carrier & Broker Resources and Connections:** Insurance carriers & brokers often maintain partnerships with third-party vendors or have internal resources that provide Motor Vehicle Record (MVR) services. **Please contact your Insurance Carriers & Broker for more information on available vendor discounts and partnerships.**
